# **Interruption to Water Supply**

## **Riverside**

### **Assisi Avenue**

This is to advise that the water supply to your property will be interrupted on:

**Wednesday 10 August**

**9:00am - 1:00pm**

Ben Lomond Water is carrying out connection work on water mains. Dirty water may be evident in your taps immediately following the resumption of your water supply.

We advise you to run the taps until the water clears prior to usage.

We apologise for any noise that will be generated during the works - we will endeavour to keep it to a minimum where possible.

Work will be carried out subject to weather and if not completed on this day, work will be completed on the first available fine day.

**For further information please contact 13 MYWATER (13 6992)**
